

ONE DAY IN THE LIFE

It's what we do.™

CareMore serves
35,000 members
through 17 Care
Centers.

It's what we do.™

Today we will
provide more than
900 rides to patients
to and from points of
care.

It's what we do.™

Today we will make
or receive 3,385
phone calls
arranging for care.

It's what we do.™

Today we will see more than 40 new members to assess health, arrange care programs and document personal care plans.

It's what we do.™

Today we will
provide more
than 950 hours of
homemaker services
for the frail.

It's what we do.™

Today we will visit
61 homes to
provide care or
social support.

It's what we do.™

Today we will
engage 4 families in
end-of-life/hospice
planning.

It's what we do.™

Today we will make
235 follow up calls
to patients in care
programs.

It's what we do.™

Today we will
provide 191
strength training
sessions.

It's what we do.™

Today we will make
90 care visits to
patients residing in
nursing homes/
assisted living.

It's what we do.™

Today we will
read 567 blood
pressures from
monitors in
the homes of
hypertensive
patients.

It's what we do.™

Today we will read
369 weights from
monitors in the
homes of chronic
heart failure patients.

It's what we do.™

Today we will see
64 behavioral
visits-largely for
depression.

It's what we do.™

Today we will see
413 patients in
our Care Centers
for follow up and
chronic care
management.

It's what we do.™
