# **SECTION I - INTRODUCTION TO SUMMARY OF BENEFITS**

Thank you for your interest in StartSmart with CareMore (HMO). Our plan is offered by CAREMORE HEALTH PLAN OF NEVADA, a Medicare Advantage Health Maintenance Organization (HMO). This Summary of Benefits tells you some features of our plan. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of our benefits, please call StartSmart with CareMore (HMO) and ask for the "Evidence of Coverage".

## **YOU HAVE CHOICES IN YOUR HEALTH CARE**

As a Medicare beneficiary, you can choose from different Medicare options. One option is the Original (fee-for-service) Medicare Plan. Another option is a Medicare health plan, like StartSmart with CareMore (HMO). You may have other options too. You make the choice. No matter what you decide, you are still in the Medicare Program.

You may join or leave a plan only at certain times. Please call StartSmart with CareMore (HMO) at the telephone number listed at the end of this introduction or 1-800-MEDICARE (1-800-633-4227) for more information. TTY/TDD users should call 1-877-486-2048. You can call this number 24 hours a day, 7 days a week.

## **HOW CAN I COMPARE MY OPTIONS?**

You can compare StartSmart with CareMore (HMO) and the Original Medicare Plan using this Summary of Benefits. The charts in this booklet list some important health benefits. For each benefit, you can see what our plan covers and what the Original Medicare Plan covers.

Our members receive all of the benefits that the Original Medicare Plan offers. We also offer more benefits, which may change from year to year.

## **WHO IS ELIGIBLE TO JOIN StartSmart with CareMore (HMO)?**

You can join StartSmart with CareMore (HMO) if you are entitled to Medicare Part A and enrolled in Medicare Part B and live in the service area. However, individuals with End-Stage Renal Disease are generally not eligible to enroll in StartSmart with CareMore (HMO) unless they are members of our organization and have been since their dialysis began.

## **CAN I CHOOSE MY DOCTORS?**

StartSmart with CareMore (HMO) has formed a network of doctors, specialists, and hospitals. You can only use doctors who are part of our network. The health providers in our network can change at any time.

You can ask for a current provider directory. For an updated list, visit us at [www.caremore.com](http://www.caremore.com). Our customer service number is listed at the end of this introduction.

## **WHAT HAPPENS IF I GO TO A DOCTOR WHO'S NOT IN YOUR NETWORK?**

If you choose to go to a doctor outside of our network, you must pay for these services yourself except in limited situations (for example, emergency care). Neither the plan nor the Original Medicare Plan will pay for these services.

## **WHERE CAN I GET MY PRESCRIPTIONS IF I JOIN THIS PLAN?**

StartSmart with CareMore (HMO) has formed a network of pharmacies. You must use a network pharmacy to receive plan benefits. We may not pay for your prescriptions if you use an out-of-network pharmacy, except in certain cases. The pharmacies in our network can change at any time. You can ask for a pharmacy directory or visit us at [www.caremore.com](http://www.caremore.com). Our customer service number is listed at the end of this introduction.

## **DOES MY PLAN COVER MEDICARE PART B OR PART D DRUGS?**

StartSmart with CareMore (HMO) does cover both Medicare Part B prescription drugs and Medicare Part D prescription drugs.

## **WHAT IS A PRESCRIPTION DRUG FORMULARY?**

StartSmart with CareMore (HMO) uses a formulary. A formulary is a list of drugs covered by your plan to meet patient needs. We may periodically add, remove, or make changes to coverage limitations on certain drugs or change how much you pay for a drug. If we make any formulary change that limits our members' ability to fill their prescriptions, we will notify the affected enrollees before the change is made. We will send a formulary to you and you can see our complete formulary on our Web site at [www.caremore.com](http://www.caremore.com).

If you are currently taking a drug that is not on our formulary or subject to additional requirements or limits, you may be able to get a temporary supply of the drug. You can contact us to request an exception or switch to an alternative drug listed on our formulary with your physician's help. Call us to see if you can get a temporary supply of the drug or for more details about our drug transition policy.

## **HOW CAN I GET EXTRA HELP WITH MY PRESCRIPTION DRUG PLAN COSTS OR GET EXTRA HELP WITH OTHER MEDICARE COSTS?**

## **WHAT ARE MY PROTECTIONS IN THIS PLAN?**

All Medicare Advantage Plans agree to stay in the program for a full calendar year at a time. Plan benefits and cost-sharing may change from calendar year to calendar year. Each year, plans can decide whether to continue to participate with Medicare Advantage. A plan may continue in their entire service area (geographic area where the plan accepts members) or choose to continue only in certain areas. Also, Medicare may decide to end a contract with a plan. Even if your Medicare Advantage Plan leaves the program, you will not lose Medicare coverage. If a plan decides not to continue for an additional calendar year, it must send you a letter at least 90 days before your coverage will end. The letter will explain your options for Medicare coverage in your area.

As a member of StartSmart with CareMore (HMO), you have the right to request an organization determination, which includes the right to file an appeal if we deny coverage for an item or service, and the right to file a grievance. You have the right to request an

organization determination if you want us to provide or pay for an item or service that you believe should be covered. If we deny coverage for your requested item or service, you have the right to appeal and ask us to review our decision. You may ask us for an expedited (fast) coverage determination or appeal if you believe that waiting for a decision could seriously put your life or health at risk, or affect your ability to regain maximum function. If your doctor makes or supports the expedited request, we must expedite our decision. Finally, you have the right to file a grievance with us if you have any type of problem with us or one of our network providers that does not involve coverage for an item or service. If your problem involves quality of care, you also have the right to file a grievance with the Quality Improvement Organization (QIO) for your state. Please refer to the Evidence of Coverage (EOC) for the QIO contact information.

As a member of StartSmart with CareMore (HMO), you have the right to request a coverage determination, which includes the right to request an exception, the right to file an appeal if we deny coverage for a prescription drug, and the right to file a grievance. You have the right to request a coverage determination if you want us to cover a Part D drug that you believe should be covered. An exception is a type of coverage determination. You may ask us for an exception if you believe you need a drug that is not on our list of covered drugs or believe you should get a non-preferred drug at a lower out-of-pocket cost. You can also ask for an exception to cost utilization rules, such as a limit on the quantity of a drug. If you think you need an exception, you should contact us before you try to fill your prescription at a pharmacy. Your doctor must provide a statement to support your exception request. If we deny coverage for your prescription drug(s), you have the right to appeal and ask us to review our decision. Finally, you have the right to file a grievance if you have any type of problem with us or one of our network pharmacies that does not involve coverage for a prescription drug. If your problem involves quality of care, you also have the right to file a grievance with the Quality Improvement Organization (QIO) for your state. Please refer to the Evidence of Coverage (EOC) for the QIO contact information.

**25 Outpatient Prescription Drugs**

Most drugs are not covered under Original Medicare. You can add prescription drug coverage to Original Medicare by joining a Medicare Prescription Drug Plan, or you can get all your Medicare coverage, including prescription drug coverage, by joining a Medicare Advantage Plan or a Medicare Cost Plan that offers prescription drug coverage.

**Drugs covered under Medicare Part B**

**General**

0% to 20% of the cost for Part B-covered chemotherapy drugs and other Part B-covered drugs.

**Home Infusion Drugs, Supplies and Services**

**General**

\$0 copay for home infusion drugs that would normally be covered under Part D. This cost-sharing amount will also cover the supplies and services associated with home infusion of these drugs.

**Drugs Covered under Medicare Part D**

**General**

This plan uses a formulary. The plan will send you the formulary. You can also see the formulary at [www.caremore.com](http://www.caremore.com) on the web.

Different out-of-pocket costs may apply for people who

- have limited incomes,
- live in long term care facilities, or
- have access to Indian/Tribal/Urban (Indian Health Service) providers.

The plan offers national in-network prescription coverage (i.e., this would include 50 states and the District of Columbia). This means that you will pay the same cost-sharing amount for your prescription drugs if you get them at an in-network pharmacy outside of the plan's service area (for instance when you travel).

Total yearly drug costs are the total drug costs paid by both you and a Part D plan.

**25 Outpatient Prescription Drugs**  
(continued)

The plan may require you to first try one drug to treat your condition before it will cover another drug for that condition.

Some drugs have quantity limits.

Your provider must get prior authorization from StartSmart with CareMore (HMO) for certain drugs.

The plan will pay for certain over-the-counter drugs as part of its utilization management program. Some over-the-counter drugs are less expensive than prescription drugs and work just as well. Contact the plan for details.

You must go to certain pharmacies for a very limited number of drugs, due to special handling, provider coordination, or patient education requirements that cannot be met by most pharmacies in your network. These drugs are listed on the plan's website, formulary, printed materials, as well as on the Medicare Prescription Drug Plan Finder on Medicare.gov.

If the actual cost of a drug is less than the normal cost-sharing amount for that drug, you will pay the actual cost, not the higher cost-sharing amount.

If you request a formulary exception for a drug and StartSmart with CareMore (HMO) approves the exception, you will pay Tier 4: Non-Preferred Brand Drugs cost sharing for that drug.
